Architectural Theory, Teaching Assistant (Spring 2009)

RESEARCH EXPERIENCE

Projects

- 2012 - present Homelessness, Denver Colorado with S. Koester, critical anthropologist. Scaled ethnographic study with homeless persons, injection drug users, victims of human trafficking, police officers, government employees, and members of city council to explore the rationale and impacts of the recent citywide camping ban.
- 2012 - 2013 Informal development, Beijing China. How chengzhongcun contribute to and ameliorate increasingly complex urban/rural divides in China.
- 2011 - 2012 Gentrification, Denver Colorado. The roles public spaces play in neighborhood change in Highland, a predominantly Latino and rapidly gentrifying neighborhood.
- 2010 Adolescent obesity, Denver Colorado funded by LiveWell Colorado. Effects of

public safety and community gardening on outdoor physical activity for youth in Westwood, a low-income, neighborhood with high rates of child obesity.

- 2009 Secure Cities, Los Angeles and San Francisco, California funded by University of Colorado development grant with J. Nemeth, urban planning scholar. Real-time measurement of spatial incursions and divisions to provide empirical grounding to theoretical speculations of post 9/11 urban security landscapes.
- 2008 Western Oregon Plan Revision, Corvallis Oregon funded by US Bureau of Land Management with B. Muller, regional planning scholar. Content analysis of public comments regarding a proposal to restart logging operations in protected areas.
- 2008 Bicycling, Boulder Colorado funded by University of Colorado development grant with K. Krizek, transportation planning scholar. Analysis of bicycle infrastructure, flood control infrastructure, and transportation policies.
